## GENERAL MEMBERSHIP INFO

### Membership ID Badges:

The board would like to remind the membership that all members must carry their ID badges. If you do not have your badge you will be required to pay the non membership fee of \$20.00 per Relay

Also starting in September - if you don't have your badge with you while you are on the range during Non-League events, you will be asked to leave.

It's not fair to the people who do pay their dues to have people who are not members using our facilities. So please, do not give out the combination to the Outdoor range lock to non club members.

Probationary Members—If you are past your 6 months time it would be a good idea to complete your paperwork to become a full member. This will alleviate a combined invoice for 2010 dues + your remaining membership obligation. Please contact Rich Grubel if you have any questions.

### Rimfire Action Matches Comes' To Old Bridge

Continuing with the Old Bridge tradition of having a Shooting Disciplines for every taste, Old Bridge will join a handful of Shooting Clubs around the nation that have IPSC Style Action Matches with Rimfire Firearms.

The name of the new Discipline will O.B.R.A.M.S ( Old Bridge Rimfire Action Match Shooters ) and it will take its place on the schedule on the third Saturday of every month starting on August 15, 2009. The Matches will closely resemble OBCATS Action formats including using the USPSA Rules with minor modifications. OBRAMS will provide an economical way for shooters to participate in Action Shooting and a venue for the novice shooter to learn about Action Shooting.

Should you have any questions please contact Iggy Ortega at [iortega@ntct1.com](mailto:iortega@ntct1.com).

### East Coast Pro Am Championship

On May 8<sup>th</sup> and 9<sup>th</sup> World Class Steel conducted the 1<sup>st</sup> annual East Coast Pro Am Championship at our outdoor range facilities. More than 160 competitors took on more than 240 steel knockdown targets spread among seven stages while vying for the top positions in each of four divisions.

Congratulations go out to the top place finishers in each of these divisions, many of whom are OBR&PC members. Taking first in the Open Pistol Division was James McGinty, sponsored by both STI International, of Georgetown Texas, and Shuemann barrel. James is a Junior shooter well on his way to being one of the top shooters in the country. Taking second was Smith & Wesson Team member Dave Olhasso. Third place was awarded to Mike DiGennaro. Mike performed a great showing at his first major match since returning to competitive shooting after taking a ten-

year hiatus. With his “among-the-top” showing here, Mike proved that he still has the potential to be at the top of his sport in the 2009 season. Mike has started a great shooting

school, Sport Shooters Training and a tremendous shooter-oriented website, [www.hoserhaven.com](http://www.hoserhaven.com). Great to see you back Mike and we at World Class Steel wish you continued success in all of your endeavors.

The Iron Pistol Division top spot was taken By Dave Olhasso, followed by James McGinty in second place with Dave Marques, just four points behind McGinty, taking the third position in the Division.

The Open Carbine Division saw George Meschi leading the pack and taking home the top slot.

Iron Carbine saw newcomer Danny Lisk, our club's Treasurer, in only his second year of major competitive shooting, take the first place award shooting a Hi Point carbine - nice shooting Danny!

The Pro Am event was patterned after the Pro Am Matches that Phil Strader organized at the USSA complex located in

Tulsa, Oklahoma. The Pro Am is a mix of action pistol and knockdown steel that is shot using a predetermined part-time. Stages were designed and props set in each of six ranges allowing shooters to engage as many as 45 targets from different shooting positions. Firearms were allowed to have 11 rounds in the gun to start but no more than 10 rounds in any subsequent magazine. A tie- breaker stage of typical knockdown format was set up in one range. This stage saw shooters standing behind a table with firearm loaded and touching the table; on signal the shooter commenced firing until all targets were knocked down.

Score for this stage was the amount of time it took to knock down all targets. This stage was indeed needed in a few close instances during the match to determine the correct order of finish. This shooting event is exciting for both the participants and for the spectators alike so we would like to remind all of our club members that, even though they may

not be actually competing, they are always welcome to any of our matches to observe and enjoy any of these exciting events as spectators.

We would like to thank Phil for his direction and input into the match and also for allowing us to bring and run such a great shooting event to the East Coast in 2009. We at World Class Steel would also like to thank the many volunteers who helped with the setup of the many stages and who performed as range Officers throughout the event. And, of course, our thanks to the many competitors who traveled from both near and far to participate in the 2009

Pro Am Championship. Needless to say, without the volunteers, the competitors and the cooperation of our members who permit us to use their range time, this major championship match would not have been possible. Also, I would be remiss if I did not take the time to thank and acknowledge all the efforts of the members of the World Class Steel match committee: John Perciballi for Match Development, Chris Buchholz for Registration, scoring and emails, Matt DeVries for photography and website update, and Danny Lisk and Bill Forrai for field operations.

Looking toward next year's East Coast Pro Am, which will be held in the first part of October 2010, interested competitors should see their invitations in the mail sometime in early spring next year. The 2010 match will be limited to the first 200 entries with the 2009 competitors getting priority consideration for the available 2010 slots. Also, those who participated in the 2009 Pro Am will benefit by having their 2010 entry fee frozen at the low \$45 2009 rate.

Sponsorship opportunities for the 2010 Championship are currently still available and any organizations looking to participate in our 2010 Pro Am sponsorship program should contact John Perciballi at JohnP@WorldClassSteel.com.

Thank you all for making this championship a tremendous success and good luck during the remainder of our current shooting season.

John Soltesz

### MUZZLE LOADERS LEAGUE

We finally had a clear day for our July shoot. We had no rain, clear skies and mild temperatures. In spite of the holiday weekend, we fielded a full line of shooters. The results for the top shooters were as follows:

		<b>Pistol</b>	
<b>Division A</b>		<b>Division B</b>	
J. LeGoff	87	D. Rosenthal	83
L. Brunner	83		
S. Adamo	80		
		<b>Rifle</b>	
<b>Division A</b>		<b>Division B</b>	
W. Skidmore	131	D. Rosenthal	117
L. Brunner	118	J. LeGoff	117
L. Gennett	107	D. Delgo	73

Wayne Skidmore led the rifles with a 131x150 and John LeGoff won the pistol match with an 87x100.

In the NRA rifle qualifications, Sal Adamo earned his Sharpshooter Classification and 5 of our shooters are nearing Distinguished Expert.

Also, we will be holding our annual picnic on October 18th as we will not be shooting the first weekend of October due to the Knock Down Steel Fields of Steel Match.

We will have a sign-up sheet at both Aug & Sept matches for people to pick what they'd like to bring.

Regards, Lance & Ann Brunner
